What is the interest rate?

How is the interest calculated?

The interest rate on a Watani Super Account is variable. Interest is calculated on your daily balance and paid quarterly to your account.

What is the estimated balance after 12 months based on a GBP 100,000 deposit?

The estimated balance after 12 months based on a balance of GBP 100,000 would be as follows:

Initial deposit	Interest rate	Balance at the end of 12 months
GBP 100,000	1.50% gross / 1.51% AER	GBP 101,508.46

If you deposited GBP 100,000 into your Watani Super Account at a rate of 1.50%, your balance is estimated to grow to GBP 100,508.46.

For the purpose of the calculation above, it is assumed:

- Initial deposit is GBP 100,000
- No withdrawals
- No further deposits
- Interest rate did not change during the 12 months

Can NBKI change the interest rate?

The interest rate on a Watani Super Account is variable. If we reduce the interest rate, we will notify you at least 14 days before the changes take effect. We will notify you when we increase the interest rate shortly after the changes take effect.

Can I withdraw money?

Yes, you have instant access to your account, you can make as many withdrawals as you like free of any fee or charge.

Is there a minimum balance to open a Watani Super Account?

There is no minimum balance required to open a Watani Super Account, however the Minimum Balance Threshold and Minimum Balance Charge may apply. For further information, please refer to the FAQs on our website.

How do I open & manage my account?
