Regional and International Geographic Presence

High credit ratings and among the top brand values regionally

- NBK has one of the highest credit ratings in the MENA region
- Named the most valuable banking brand in Kuwait and has featured among the biggest Middle East brands by Brand Finance

A Leading market position in Kuwait

- NBK enjoys a dominant market share across various business segments in Kuwait
- The Bank has one of the largest and most diversified distribution networks, including its digital channels

Sound and consistent financial performance

- Long history of profitability, even throughout the global financial crisis
- Excellent asset quality with an NPL ratio standing at 1.38% at end-2023
- Strong liquidity serving as a buffer in times of need

Stable shareholder base and strong management team

- Established in 1952 by a group of leading Kuwaiti merchants and has retained the same core shareholder base since its inception
- NBK's stable shareholder base is complemented by a strong and stable Board of Directors and a long-serving executive team with in-depth experience

Strong wealth management capability

وطني

NBK

 NBK has established a strong global wealth management platform that builds on client accessibility in the region, offering best-in-class products and services and a seamless client experience throughout its global network

Only banking group in Kuwait to provide both conventional and Islamic banking

- Following its consolidation of Boubyan Bank in 2012, NBK became the only banking group in Kuwait to offer both conventional and Islamic banking services
- This has allowed the Bank to leverage off the opportunities across both markets, particularly given the growing importance of Islamic Finance in Kuwait

A strong regional and international network

- Operations in 13 countries, 7 of which are in the MENA region
- The Bank focuses on organic growth in its key growth markets in the MENA regions with special emphasis on digital banking
- And remains opportunistic for any potential transaction that has strategic synergies and creates value

A well-defined sustainability strategy

- NBK's leadership is deeply committed to the bank's sustainability journey and views sustainability as integral to business performance
- Very ambitious and transformational ESG strategy with full management ownership and board oversight

NBK's Strategy

	✓ Corporate Banking	The Bank aims to (i) remain the primary banker for the leading local companies whilst continuing to be active in the mid-market sector;(ii) remain the bank of choice for foreign companies and continuing to serve at least 75% of those companies and (iii) maintain its current market share in trade finance (over 30%). To achieve the above, NBK will expand its coverage and broaden the range of products and services offered.
Defend and Grow Leadership Position in Kuwait	✓ Consumer Banking	 NBK intends to maintain its focus on the profitable affluent and mass affluent segments while continuing to build a future-safe franchise by investing in youth segments (such as first jobbers and Shabab). Through the above, the Bank aims to maintain its leadership position, maintain its focus on delivery of superior customer service experience and achieve the lowest cost of funds among Kuwaiti banks.
	✓ Build Regional Powerhouse in Wealth Management	 NBK aims to replicate its Kuwait success story in other GCC markets and build a pan-regional franchise with regional origination and international asset allocation capabilities, leveraging its trustworthy brand and strong geographic reach Under the newly launched NBK Wealth brand, NBK aims to continue to provide a unique proposition to high-net-worth clients by bringing its frontline and investment arm together, complementing its superior customer service with an increasingly wider range of investment products in a more holistic and client-centric approach
Geographical, and product and service diversification	✓ Expand Regional Presence	 The Bank's geographic diversification strategy is to leverage its fundamental strengths and capabilities, including its international reach and strong regional relationships, to build a regional platform and support growth in key markets. NBK focuses on markets with long-term potential through a combination of high growth economies, sound demographic trends and opportunities aligned with the Bank's competitive advantages.
	✓ Establish an Islamic Franchise	 The Bank's strategy, in relation to its Islamic subsidiary, is to differentiate it from other domestic Islamic banks through a clear focus on high net worth and affluent clients and large and mid-market corporate customers.

Digital Transformation

ESG Transition

Kuwait Operations

Maintain focus on customer service

Aim to attract new bankable clients

Pioneer innovative products and

Proactive attrition management

Meet evolving banking demands

services utilizing the latest tools and

such as SMEs

technologies

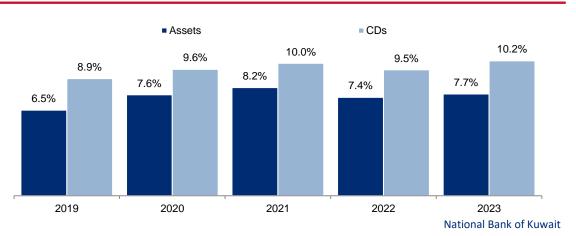

- Remain bank of choice among foreign corporations; serving 75% of them active in the Kuwaiti market
- Maintain current market share in excess of 30% in trade finance
- Increase market share in medium corporate segment
- Focus on project finance benefiting from NBK's large capital base
- Maintain asset quality

 After a series of gradual share acquisitions since 2009, NBK's stake in Boubyan bank reached 58.4% in 2012. Through Boubyan, NBK aims at diversifying its income stream, complementing its product offering as well as targeting a new segment of clients.

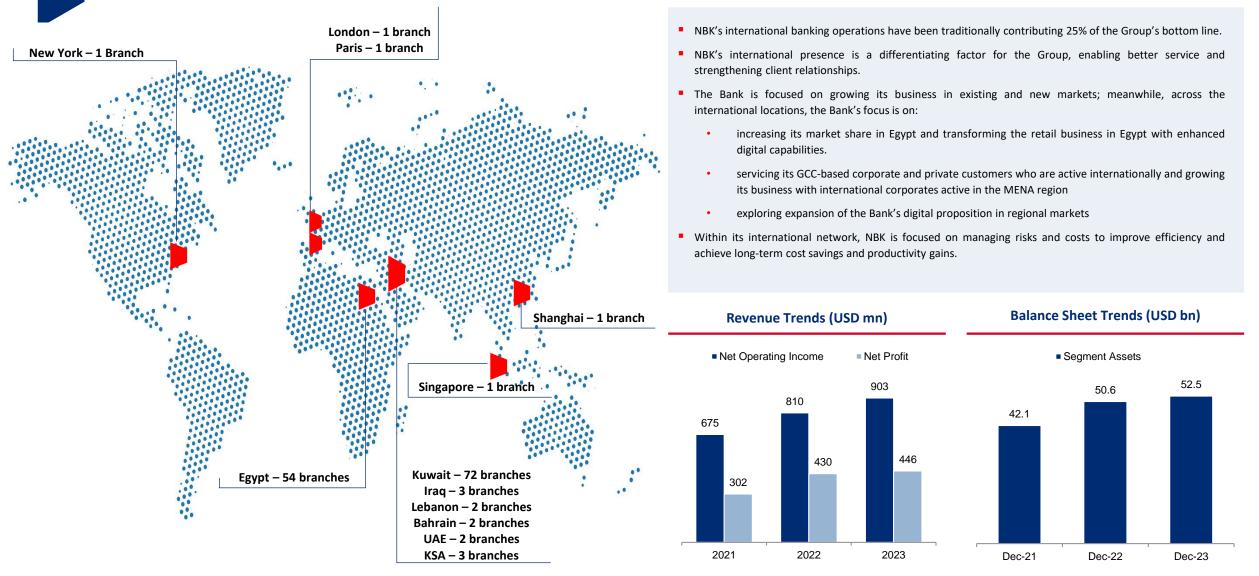

Islamic Banking (Boubyan Bank 60.4% owned subsidiary)

- The size and market share development of Boubyan relative to other Islamic banks leaves significant room for repositioning the bank and acquiring market share.
- NBK is committed to the future growth and transformation of Boubyan Bank and establishing a strong
 presence in the growing Islamic banking segment.
- The Bank's transformation and strategy implementation is led by a highly proficient management team with extensive regional banking experience, with key positions filled by NBK veterans aligned with the NBK culture.

Market Share of Assets and Customer Deposits

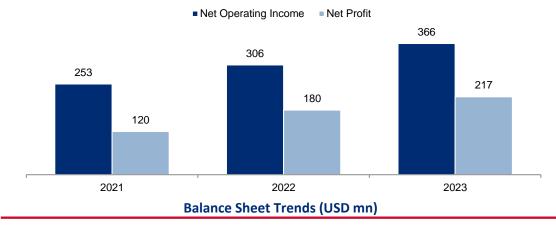

National Bank of Kuwait 10

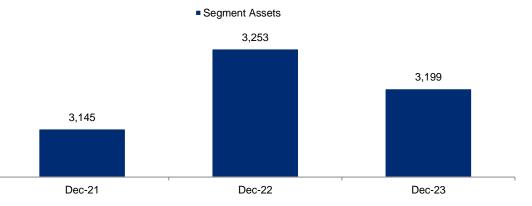

NBK Wealth

NBK Wealth emerged as the outcome of the transformation plan of merging NBK's private banking and asset management businesses under one leadership and one identity. The transformation plan was focused on client-centricity, and NBK Wealth now offer SHNWI/UHNWI/HNWI and institutional accounts a holistic and client-centric offering building on the decades-long trusted relationships with clients and aiming at meeting their ever-changing needs.

- Servicing clients in a holistic and client-centric approach by developing a deep understanding of their needs (beyond financial) and offering holistic solutions that meet their ever-changing requirements.
- Effective relationship management through continuous client interaction across all locations and client segments to develop a deep understanding of clients' holistic needs
- Availing clients with innovative solutions including:
 - <u>Advisory</u>: Client-specific and tailor-made wealth, portfolio investment, real estate planning, and advisory services, including using holistic multi-asset strategies.
 - **<u>Product</u>**: Providing access to a unique platform covering a wide array of investment vehicles across liquid and illiquid solutions, developed in-house or through partnerships with renowned global providers.
 - **<u>Booking Centers</u>**: expanded booking centers with the optionality of a relationship management coverage model at the choice of clients.
 - **<u>Banking Services</u>**: Differentiated propositions to HNWIs for core banking products such as loans, deposits, and credit cards.

NBK Headquarters awarded the Gold LEED Certification

ESG Governance

- A Board approved ESG Governance Structure and Framework that assigns ESG responsibility across members of the Executive Management.
- A Sustainability and Climate Change (S&CC) Committee, chaired by the Vice Chairman and Group CEO and with direct Board oversight.
- Under the jurisdiction of the S&CC Committee, five sub-committees are established which comprise of members of the Executive Management, assigning them with ESG roles within their relevant areas.
- ESG-specific KPIs have been developed and formalized for the members of the Executive Management.
- The sub-committees are responsible for monitoring the progress of NBK's net zero emission pathways, establishing ESG governance and risk management controls across operations and portfolios, cultivating an ESG culture across the Group, maximizing social impact and community engagement, as well as evaluating and endorsing all new proposed use of proceeds of green bonds and other sustainable finance transactions.

*Note: ESG ratings are updated to date

Key ESG Achievements

We measure our progress against well-defined metrics and targets to achieve the greatest positive impact.

> Strategy Pillars	Key Highlights*
S Responsible Banking	 In the process of developing an Environmental and Climate Change Policy, a fundamental part of NBK's commitment to carbon neutrality by 2060. Committed to USD 10 billion Sustainable Assets by 2030. As of 31 December 2023, the Bank has around USD 3.6 billion of Sustainable Assets. Continue to offer reduced rates to the Eco-friendly Auto Loan and Eco-friendly Housing Loan for consumers. Issued debut USD 500 million green bond, underscoring NBK's commitment to climate action. Finalized and approved the Bank's Procurement policies, embedding ESG-related principles in vendor sourcing and management processes. Developed a Sustainable Procurement Strategy Framework which aims at guiding NBK's supply chain activities in line with best practices. Forged a strategic partnership with DHL to use the "DHL GoGreen Plus" service, ensuring that all NBK's international shipments are transported using Sustainable Aviation Fuel.
Governance for Resilience	 Finalized and approved the new Group ESG Strategy with a three-year roadmap. Finalized and approved ESG Governance Structure and Framework that assigns ESG responsibility across members of the Executive Management. Established management-level Sustainability and Climate Change Committee headed by the Vice Chairman & GCEO and with direct oversight from the Board of Directors. Joined the United Nations Global Compact (UNGC). The Bank's first Communication on Progress (COP) is due July 2024. Joined the Partnership for Carbon Accounting Financials (PCAF). Finalized and approved a Group-level ESG Policy to orchestrate the Bank's sustainability activities and drive accountability across the Group network. Accounted for climate change risks in the Pillar II Assessment presented in the ICAAP regulatory report. Institutionalized alignment with the recommendations of Taskforce on Climate-related Financial Disclosures (TCFD). In the process of developing a bank-wide Environmental & Social Risk Management (ESRM) Framework.
(B) (S) Investing in our Communities	 NBK Best Bank for 'SMEs in Kuwait', recognized with an award at Euromoney's 2024 Awards for Excellence. Continues to be the primary advocator of Central Bank of Kuwait's "Let's Be Aware" Campaign which aims to raise public awareness about key financial concepts and advance financi inclusion in Kuwait. As of 30 June 2024, engaged in 32 internal and external awareness campaigns. Continued efforts to support and nurture local talent. As of 30 June 2024, Nationalization rate was 77.1%. Launched "She's Next" initiative in partnership with VISA, a global advocacy program that aims to support women-owned small businesses. Launched the "Bankee" financial literacy program in Kuwait's schools, with around 15,000 students and 3,000 teachers participating. Launched first of its kind NBK Tech Academy to attract and provide the Kuwaiti youth with a best-in-class and innovative program in digital transformation. NBK organized a Media Awareness Workshop on Sustainability and Climate Change, the first-of-its-kind in Kuwait. In collaboration with Kuwait Dive Team (KDT), removed 150 tons of plastic, discarded fishing nets, and shipwreck from Kuwait's bays and coasts, an eight-fold increase from 2022. Community Investments totaled KD 28 million in 2023 (USD 91 million), a 22% increase from 2022.
Capitalizing on our Capabilities	 Developed an Employee Grievance Policy, which was circulated to all employees and published on NBK Group Website. Initiated the development of a Diversity, Equity, and Inclusion (DE&I) strategy. As of 30 June 2024, females represented 44% of total NBK Kuwait workforce, and management 28%. Provided key Sustainability Champions across the Bank with a Global Reporting Initiative (GRI) Standards certified training program. Launched Sustainability Essentials Training Program across the Group, providing employees with capacity building on key sustainability concepts. In 2023, NBK Kuwait employees received 147,701 training hours. Also, provided more than 3,300 training hours on ESG-related topics with focus on Sustainability Awareness, Sustainable Finance, and Climate Risk Management. In an effort to make NBK a better and inclusive workplace, launched the Employee Engagement Survey "Your Voice Matters" 2023. Launched new mobile banking experience for NBK customers themed "Tailored for You", to provide them with the latest and most advanced digital services.

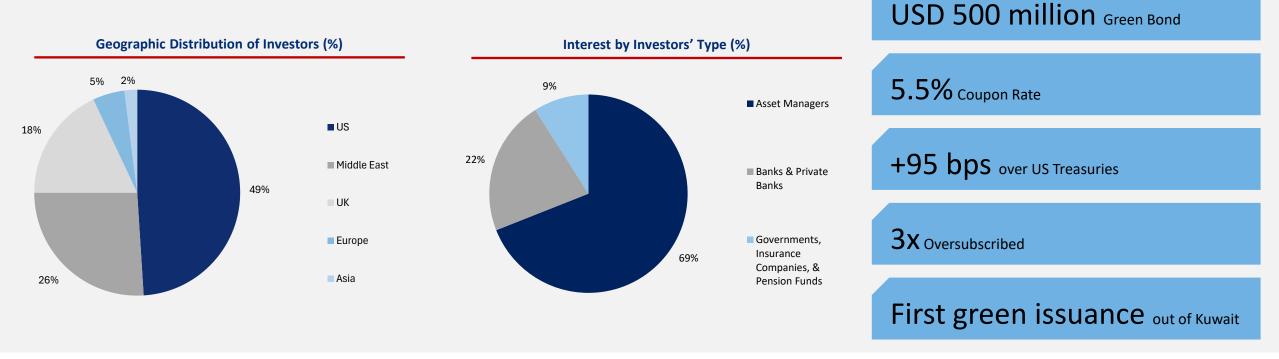

NBK's Debut Green Bond

In June 2024, NBK successfully issued its debut 6NC5 green bond under its Sustainable Financing Framework, raising USD 500 million to support the financing of lowcarbon initiatives. By issuing this green bond, NBK strengthens its dedication to environmental stewardship and climate action, aiming to channel and mobilize capital towards a low-carbon economy by focusing on *green projects*. The issuance further supports NBK's ESG ambitions; including achieving carbon neutrality in line with Kuwait's national commitment by 2060.

Key Highlights

Strong Investor Interest

NBK's issuance saw strong reception from a diverse array of global investors and financial institutions:

Kuwait Overview

Key Highlights

- Kuwait is a constitutional monarchy, headed by H.E. the Emir, Sheikh Meshal Al-Ahmad Al-Sabah, with a population of 4.8 million (June 2023).
- It is a founding member of the Organization of the Petroleum Exporting Countries (OPEC) and the Gulf Cooperation Council (GCC).
- Kuwait has the 6th largest proven crude oil reserves in the world (101.5 billion barrels) and was the 8th largest oil producer in 2022 (2.4 mb/d).
- The oil sector's share of nominal GDP was 47% in 2023, and Kuwait has one of the lowest industry breakeven oil prices in the world. Oil exports constitute around 90% of both total exports and government revenues.
- Kuwait is an open, oil-dependent economy dominated by the government sector. Private non-oil activity is centered on finance, construction, trade, logistics and real estate.
- The Kuwaiti banking sector comprises 22 banks, including 11 domestic banks (5 conventional, 5 Sharia-compliant and 1 specialized), and branches of 11 international banks (10 conventional and 1 Islamic).
- The banking sector is well regulated by the Central Bank of Kuwait (CBK), with a number of regulations and supervisory norms to ensure the safety of the banking sector including through strict supervision and imposition of prudential ratios, such as lending limits and concentrations, investment limits, liquidity and capital adequacy.

Kuwait's Economy

Non-oil GDP growth registered a sharp improvement in Q1 2024, rebounding by 4.7% y/y (+2.5% q/q) on the back of solid growth in manufacturing (including oil refining), retail and 'other services' (real estate), also helped by favorable base effects. Oil sector and headline growth came in at -9.8% y/y and -2.7% y/y, respectively.

Real estate sales fell back in June to KD308m (-17% m/m) from May's 32-month high, but activity was significantly higher (+47% y/y) compared to June 2023. Sales activity was again led by the commercial and investment sectors while the residential sector was soft.

Kuwait's Banking Sector

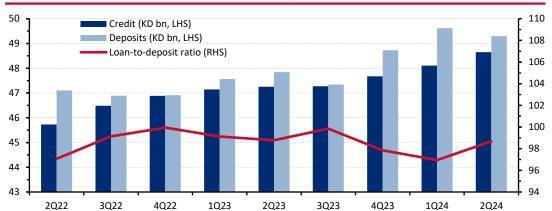

The CBK has remained its key policy rate at 4.25% since July 2023, having raised rates far less aggressively than the US Fed (cumulative +275 bps since March 2022 vs. 525 bps for the Fed).

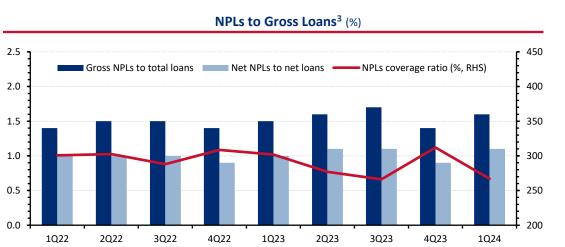

Capital Adequacy Ratio³ (%)

The capital adequacy ratio dropped to 18.6% by March 2024, more than five percentage points higher than the minimum requirement.

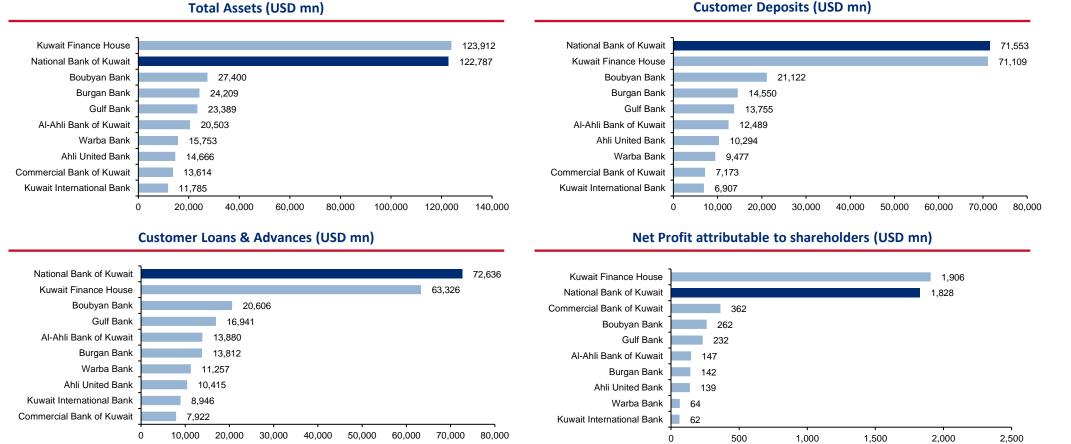

The domestic loans-to-deposits ratio ticked up in Q2 to 98.7% on an increase in outstanding loans and a decrease in deposits.

The NPL ratio (gross NPLs/total loans) rose to 1.6% by June 2024. The NPL coverage ratio fell to 267%.

Dominant Kuwaiti Franchise

NBK is the leading conventional banking group in Kuwait with a market leading position across its business segments

Customer Deposits (USD mn)
